ARTICLE I - PREAMBLE

AN AGREEMENT, to become effective on July 1, 2006.

The Board of Education of the Cedar Falls Community School District, Black Hawk County, Iowa, hereinafter referred to as the Employer, and the American Federation of State, County, and Municipal Employees, Iowa Council 61, hereinafter referred to as the Union, agree as follows:

ARTICLE II - GRIEVANCE PROCEDURE

Definitions

Definition: A grievance is a claim that there has been a violation, misinterpretation, or misapplication of some provision of this Agreement.

Aggrieved Person: An aggrieved person is the person who filed the grievance. If a grievance represents a person or persons in addition to the aggrieved person, such group grievance will be signed by an employee within the aggrieved group and a union steward.

Party in Interest: A party in interest is the person or persons who might be required to take action, or against whom action might be taken in order to resolve the grievance.

Representation: An aggrieved person may be represented at all stages of the grievance procedure by himself or herself, or, at his or her option, union representation present by a steward or staff representative.

Grievance Procedure

Level One - Manager (Informal)

If an employee feels that a violation, misinterpretation, or misapplication of some provision of the Agreement has occurred, he or she shall first discuss the matter with the supervisor.

Informal discussion specified at this level must be initiated within ten (10) working days of the event or condition giving rise to the discussion, or knowledge through reasonable diligence.

Level Two - Manager (Formal)

If an employee is not satisfied with the results of the informal discussion of the problem (Level One), he or she may file a formal grievance on the form set forth in Appendix B, Grievance Form. Any formal grievance must be filed in writing with the supervisor within five (5) working days after discussion with the supervisor.

The supervisor shall have ten (10) working days in which to respond in writing to the grievance. If the employee is not satisfied with the disposition of the grievance at this level, or if no disposition has been made, the grievance may, within ten (10) working days of the date of disposition or expiration of the time limit for such disposition, be submitted to Level Three.

Level Three - Superintendent of Schools or Designee

The superintendent of schools or his designee shall have ten (10) working days in which to provide a written disposition of any grievance submitted properly, following the prescribed actions at Level One and Level Two. If the Union is not satisfied with the disposition or if no disposition has been made, the Union may, within ten (10) working days of the date of the disposition or the date of expiration of the time limit for disposition, submit the grievance to arbitration.

Level Four - Arbitration

If the union decides to submit any grievance to arbitration, the Union or their designee or the superintendent of schools or his/her designee shall request the PERB to provide a list of five (5) qualified arbitrators. The parties shall then determine by the toss of a coin who shall first strike a name from the list. The party first to strike a name shall have two (2) working days to effect this action. The other party shall have one (1) day in which to strike one (1) of the remaining names. The process will be repeated and the person whose name remains shall be the selected arbitrator.

The arbitrator selected shall conduct a hearing and shall issue a decision within thirty (30) days of the final hearing.

Scope: The arbitrator shall have no power or authority to amend, expand or in any other way change any provisions of the Agreement.

Effect: The decision of the arbitrator shall be final and binding on the parties.

Costs: Fees and expenses of the arbitrator shall be shared equally by the employer and the union. Each party shall be responsible for any other costs incurred or related to the respective party's participation in the grievance procedure.

Withdrawing grievances: The aggrieved person may withdraw a grievance at any time.

Time Limits

The number of days allotted for any step in the grievance procedure may be extended by mutual agreement.

In the event that a grievance is filed when the end of the school year would interfere with the processing of the grievance through all the steps and if the unresolved grievance would result in irreparable damage to a party in interest, the time limit set forth herein may be reduced by mutual agreement so that the various steps may be exhausted prior to the end of the school year or not later than thirty (30) days thereafter.

Participation in the bank system will be on a voluntary basis and contributions will be made in the form of two (2) days of sick leave (expressed as hours of work time) from the current year's allocation of eighteen (18) days.
